

VICE PRESIDENT AND DEAN OF THE COLLEGE

Hiram College invites applications and nominations for the position of Vice President and Dean of the College. A 158-year old institution located in northeast Ohio's Western Reserve, Hiram is among the oldest private, co-educational colleges in the United States, and throughout its long history has been a leader in liberal arts education. Particularly significant is the Hiram Plan, by which each 15-week semester is divided into a 12-week term for three traditional courses and a 3-week term for internship or field experiences, for study abroad, or for a single research-intensive course.

The Vice President is the College's chief academic officer, provides leadership for the College's educational programs, and reports directly to the President. In 1977, Hiram incorporated a Weekend College, and in more recent years has added several new undergraduate and graduate programs and six Centers of Excellence. The Vice President will have the opportunity to lead in the effective integration of these and other new academic programs into the fabric of Hiram's traditional liberal arts approach.

The successful candidate will have an earned Ph.D. in a liberal arts field, evidence of excellence as a teacher and success as a scholar in a tenured faculty appointment, and substantial accomplishment in broad academic leadership with particular experience in an undergraduate liberal arts setting. This leadership opportunity is available as early as January 2009, but the position may be assumed as late as July 1, 2009.
